Dear Ms. Spicka:

We are in receipt of your letter dated April 2, 2024, requesting an audit of Commonwealth Charter Academy. Our office is currently working on an audit of charter schools which includes cyber charters. Because we are presently engaged in the audit, we cannot discuss the substance of our work. However, we have shared your letter with the audit bureau for their consideration should it be relevant to their audit objectives or future audit objectives.

We are hoping to have an audit report released at some point later this year. However, we cannot always determine when an audit will be completed at this stage in the process.

Thank you for sharing the information.

Sincerely,

A handwritten signature in black ink that reads "Timothy L. DeFoor".

Timothy L. DeFoor  
Auditor General
