

EDUCATION VOTERS
of Pennsylvania

Join a statewide movement to support and defend public education by becoming an Education Voters of PA Public Education Champion!

Project Description: Public Education Champions in the 2025–2026 cohort are volunteers who will advocate for adequate and equitable school funding by engaging within their school district and broader community with the support of Education Voters of PA. The goal of the project is to continue to build a statewide movement to support and defend our public schools by educating and supporting individuals who will increase their engagement around key public education funding issues and state policy matters.

Public Education Champions Will:

- Think creatively about how to identify people in a community to engage in school funding issues and turn those ideas into action;
- Be passionate advocates for supporting public schools and identifying others who feel the same way;
- Be outspoken and action-oriented about the need to improve policy and support for children;
- Make plans to engage and lift up the voices of parents and community members who believe in public schools;
- Attend monthly training sessions with Ed Voters and complete a program “project” in order to receive a completion certificate (see details below).
- Develop relationships with school leaders and other community stakeholders; and
- Advocate with state lawmakers for a budget and state policies that support public schools.

How It Works:

- This program will run from September 2025– May 2026.
- Participants will be mailed a t-shirt, Ed Voters PA swag, and an advocacy toolkit!!
- We’ll meet once a month on Zoom, on the second Wednesday of the month at 7 PM, for a training session on a specific topic within PA’s public education landscape.
- We’ll send you additional information on a monthly basis in an effort to build practical, real-world advocacy you can actually use.
- As a working goal throughout our meetings, you’ll choose one advocacy task to complete before the program ends. We’re here to help support you every step of the way!
